THE MINISTER OF FINANCE (SHRI P. CHIDAMBARAM): (a) Yes, Sir.

(b) The Government have issued revised External Commercial Borrowings (ECB) Guidelines through a Press Release dated June 19, 1996, which, interalia, have permitted Corporates engaged in the infrastructure projects in Telecommunications and Oil Exploration and Development (excluding refining) to raise ECB at a minimum average maturity of 5 years even for borrowings exceeding USD 15 million equivalent. In addition, end-use of ECB in the Power, Railways and Telecommunications Sectors can be for project-related Rupee expenditure, including licence fees. Moreover, the maximum amount under the USD 1 million Scheme has been raised to USD 3 million, and exporters have been permitted to raise ECB to the extent of USD IS million or the annual average exports during the previous 3 years, whichever is lower, for meeting project-related Rupee expenditure. Also, all infrastructure and greenfield projects have been permitted to avail ECB upto 35% of project cost.

Setting up of New Medical Colleges by the Central and State Governments

2968. SHRI K. RAHMAN KHAN: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) how many new medical colleges have been set up by the Central and State Governments during the last three years in the country;

(b) reasons for not starting new medical

colleges by the State Governments and the Central Government to meet the increased demand of doctors in the country;

(c) whether the policy of the Central Government and State Governments is to depend on private medical colleges for medical education; and

(d) if not, what steps Government propose to take for setting up new medical colleges in government sector?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI SALEEM IQBAL SHERVANI): (a) Nine medical colleges have been permitted to be set up in the country including two Govt. medical colleges in the State of Gujarat during the last three years.

(b) to (d) There is no proposal to set up new medical colleges by the Central Govt. As per information available, the doctor-population ratio comes to about 1:2200. However, taking into account the availability of registered medical practitioners from other systems of medicine like Ayurveda, Homoeopathy, Unani etc. numbering to S.6 lakhs the ratio comes to about 1:950.

This figure compares favourably with a number of developing and other middle grouped countries of the world. Applications seeking permission of the Central Govt, for setting up new medical colleges are considered under the provisions of the Indian Medical Council Act, 1956 as amended.
